Dear New Life Scout,

Congratulations to you on attaining the rank of Life Scout!

Throughout your Scouting career, you have advanced through many ranks, gained knowledge, experience, and skills that will last you a life time. You have learned about camping and outdoor skills, citizenship, working together as a team, and leadership.

Now, you are just one rank away from becoming one of the few who reach the highest rank in Scouting – Eagle Scout. We as a Board, encourage you to continue on, completing the final requirements and attaining the Eagle Rank.

To attain the Eagle Rank, you will need to live your daily life by the Scout Oath and Law, earn a total of 21 merit badges, 12 of which are required, demonstrate leadership within your troop, and carry out a community service project that is worthy of an Eagle Scout. We strongly urge you to carry out a project that is unique and memorable to you and the community.

Please carefully read through the attached candidate expectations before you begin working on your service project, as it will assist you with meeting the requirements for your Eagle Board of Review.

Once again, congratulations on attaining Life Rank and best of luck to you as you work at earning you Eagle Scout Rank.
